SUBJECT: Notice of Casper Regional Solid Waste Facility Rate Increases

Dear Jason:

Per City Council Resolution No. 23-287, dated December 19, 2023, a rate increase for disposal of Municipal Solid Waste (MSW) will go into effect January 1, 2025. The city's landfill tipping fee for MSW generated inside Natrona County will increase to \$88.00 per ton and outside Natrona County it will increase to \$114.40 per ton for 2025. Remember, all haulers are required to declare the origin of their waste upon entering the City of Casper Regional Solid Waste Facility.

We have included a 2025 Holiday Calendar for Refuse Collection services and Casper Solid Waste Facility hours. Any holiday not listed on this calendar is one that has normal operational hours from 7:30 a.m. to 4 p.m. If there are any changes, we will notify you.

We appreciate the opportunity to continue to serve you and if you have any questions, please don't hesitate to contact me at 307/235-8397.

Sincerely,

Cindie
